Scholarship Application Process

Each year we have many generous people gladly give money to help students go to summer camp. We are always pleased to bless students with scholarship money to attend this important week. We have an application process for scholarship funds. We will not give any full scholarships. Scholarship Applicants will only be registered after \$100 deposit is received or 10 work hours have been completed. Each student will need to pay at least the \$100 deposit. We can help students find the jobs they need in order to earn the \$100. Scholarship applicants will be required to fulfill work hours with Patrick at FBC.
