

***A Conversation on Life*** (10/11)  
**Psalm 139:13-16**

**Special Guest – Amanda Towns**  
**Executive Director of the Central Texas Pregnancy Care Center, Brownwood, Texas**

- Since abortion was legalized in the U.S. in 1973, there have been an estimated 62,293,483 abortions. Over 53,000 abortions occur in Texas alone annually.
- Psalm 139:13-16  
*For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.*
